Ambient Working Temperature (Centigrade)	25°C	20°C	15°C	10°C	5°C								
Recommended Maximum Continuous Wearing Time (Minutes)	60	75	100	240	---								

**CE** These garments bear CE marking to demonstrate compliance with EU 2016/425 Personal Protective Equipment Annex II Health & Safety Requirements and the above referenced standards.

**UKCA** These garments bear UKCA marking to demonstrate compliance with UK Legislation – UK2019 SI696 Schedule 35 Regulation 38

The UKCA & EU Declaration of Conformity can be found on the website [www.uneekclothing.com](http://www.uneekclothing.com)

	<p><b>AFTERCARE</b></p> <p>100% Polyester / PU Coating Max 25 wash cycles</p> <div style="text-align: center;">  </div> <p>Liability will not be accepted where the care label has been ignored, neglected, defaced or removed. Where relevant, the stated maximum number and type of cleaning cycles are not the only factors that ascertain the lifetime of the garment. The lifetime depends on usage, the work environment, care, storage and where relevant, the number of cleaning cycles.</p>
---	--

<p><b>LIMITATIONS OF USE</b></p> <p>The garment should be worn fastened at all times to provide the correct level of protection as stated above. DO NOT modify or alter the garment. This garment must be kept clean to remain effective. Replace if permanently stained, faded or damaged. This garment is made of materials to aid conspicuity. Regular comparison against new garments is recommended. The aftercare instructions must be followed as improper treatment may alter the garment's performance. When the hood is worn, peripheral vision and hearing may be impaired.</p>	<p><b>STORAGE</b></p> <p>Always store in clean, dry conditions. DO NOT store in places subject to direct, strong sunlight. If the garment becomes wet, allow it to dry at room temperature before storing.</p> <p><b>DISPOSAL</b></p> <p>This garment is suitable for disposal via landfill or municipal waste incineration in accordance with European standards, subject to non-contamination with hazardous substances. We recommend using a specialist workwear disposal/shredding service for disposal to reduce your carbon footprint, where waste is diverted from landfill and recycled. For more information contact your local environmental office.</p>	<p><b>SIZE RANGE: S to 4XL</b></p> <p><b>EU Notified Body:</b> <b>INTERTEK Italia S.p.A.</b> Via Guido Miglioli 2/A 20063 Cernusco sul Naviglio - Milano (MI) Italy Notified Body.
